We are accredited and we offer a purely Anglo-Saxon technical education.

There is a GCE Accommodation Centre in our School SUCOTECH prepares students for the world of work and self-employment by blending theory and practice through our intensive practical sessions and industrial attachments.

Our portfolio includes highly solicited programs in Anglo-Saxon technical education subsystem.

Our staff members are highly qualified and experienced, with many of them holding at least the Bachelor's degree.

Our workshops & laboratories are filled with state-of-the-art equipment that enable our learners to translate theoretical prowess to technical adroitness.

Our sporting facilities are well furnished to create a soothing fusion of work and play.

Sunrise college is the ideal place for your academic and professional expedition.

The salubriousness and serenity of our campus makes learning a blissful activity.

HOW TO APPLY

Direct Admissions are done through file study for candidates into form 2 and above

While a competitive entrance exam is written by all candidates seeking admission into Form 1.

Feel free to visit our campus @ SCT, Mokolo
or call 681 17 12 02 / 691 15 19 48
